

What's Your Story?

EVERYONE HAS A STORY. What's your Story?

ARE YOU UNEMPLOYED?

Washington Barber College can jumpstart you on a new career that is recession proof. Employment in the Barbering/Beauty industry is growing at a rate of 4% a year, while the rest of the Industries are sending their jobs overseas, downsizing, cutting hours and shutting down. We offer two programs, Barber Program, and Barber Instructor program that can be completed in less than a year. Owning your own business is not out of reach in the Barbering Industry. Barbers have the highest self-employed rate at 49%. Where else can you get the training to own your own business in less than a year?

ARE YOU A SINGLE PARENT FAMILY?

Today in the United States, 24% of our children live in single Mother homes, 4% live in single Father homes, and 4% of our children live with neither parent's. We can offer you a career that will give you the ability to support your children. We can offer you a career that will make your children proud of you. The Beauty Industry is more flexible with scheduling than other industry and this helps out with daycare and childcare issues. We offer a variety of schedules at Washington Barber College in our Barber and Instructor programs, so it makes it easier on single parents.

WANT TO MAKE A CAREER CHANGE?

It is never too late for a career change. According to a recent Gallop poll, over 60% of workers are not truly engaged in what they are doing 51% of twenty something's already regret their career choice. Don't be a statistic. You need to follow your passion. You are never too old to do what you a passionate about, and if you can make a financial difference in you life, what is holding you back? Are you artistic? Our barbers do design in hair that cannot be rivaled. If your passion is to enhance someone's life in a beautiful way, our School is for you.
